Ansh Krishna

97 Livingston Ave., Edison, NJ   (908) 449-9595   ansh.krishna1@gmail.com

Summary/Objective

Resourceful and dedicated 12th grade student with excellent social skills and a demonstrated commitment to provide aid. Strong organizational abilities with proven successes managing multiple volunteering events.

Experience

Teacher, Bihar Jharkhand Association Of North America, Edison, NJ, June 2022 - September 2022

- Helped manage and ensure the resources taught to kids about programming were accurate
- Assisted students consist of lower-level students needing help in coding and setting up programs such as code.org and scratch
- Taught students how to create mini-projects over the course of the summer

Programmer Analyst, NetServ, Atlanta, GA, July 2023 - August 2023

- Analyzed and tested smaller-scale software, such as testing with server load
- Debugged small errors, such as syntax errors in JavaScript and HTML code

Tutor, Pals Learning Center, Edison, NJ, December 2022 - Present

- Taught students various math concepts ranging from pre-algebra to algebra 2.
- Corrected student errors on homework and classwork from school in which they had trouble pinpointing ways to solve problems.

Honors/Activities

Director, Christian Club at J.P. Stevens, Edison, NJ, November 2022 - Present

- Researched and presented various Christian literature and texts
- Managed and took attendance of students present at meets
- Helped organize activities after school with local churches

Second Violins Plater, The Kennedy Center, Willingboro, NJ, March 2022 - April 2022

- Played the violin in a spring concert at the Kennedy Center
- Recited and contributed to playing five songs in an orchestra, winning the competition

Greenhouse Maintainer, J.P. Stevens, Edison, NJ, June 2022 - June 2023

- Maintained the school's greenhouse area, doing things such as cleaning up the area around the plants
- Watered plants on a weekly basis and helped set up fencing around the area to prevent animals from destroying the greenhouse
